5 March 1958

Baird-Atomic, Inc.
33 University Road
Cambridge 38, Mass.

Attention:

Gentlemen:

Confirming telecon of 5 March 1958, it is requested that a qualified technical representative from your organization be at Edwards AFB, Calif. on 7 March 1958, and such additional days as are necessary, for calibration of instruments in vehicles 355 and 349.

The above services, travel expenses and related items are to be charged to and in accordance with Contract No. BA-732.

Very truly yours,

25X1
